Dear Mr Borith Chan:

Being currently looking for a job, I would like to apply for the position of web developer for ITCambodia. Indeed, I am deeply interested in your company that describe a profile for me perfectly. Worker, disciplined, honest and working hard, it is great optimism that I apply to incorporate your business.

For combination of academic and practical experience in during study such as do project and do teamwork and prepared for good worker for your company. I use to volunteer for secondary school at my own province in explaining about how to build website and how to solve problem on project. And help to correct some problems too. I use to work as team work. I joined some program that relate while I could accept new knowledge that make me increase my skills more. I'm good at accept new experience from people around me and digital technology.

In my future, I increased responsibilities with your company and I will make sure that try to work as good teamwork. I share my knowledge if I can, and I enjoy for someone told about my mistake. I have a goal that find opportunities to enhance my interpersonal skills as well. And one more I make confidence in communicating with a wide range of customer and users.

Conclusion, I believe that I will be the best worker for ITCambodia work hard and work over time according to requirement. I look forward to speaking with you to discuss my interest in working for your company and the fresh approach I would bring to the position. And one more you can contact me through my gmail , phone or facebook to talk more. I appreciate your consideration and thank you so much for your time. I looking forward hearing from you soon.

Sincerely yours,
Monyra khom
